

Advancing Core Competencies: Emphasizing Practice Behaviors and Outcomes Plus MySocialWorkLab with eText -- Access Card Package

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE A CSWE Core Competency / Practice Behavior Workbook for Advanced Courses

Nichols Advancing Core Competencies: Emphasizing Practice Behaviors and Outcomes helps students master the competencies and practice behaviors with licensing-type exam questions that apply to specialized fields. This workbook builds upon students prior knowledge gained from previous social work courses and presents an overview of generalist practice and principles related to the core competencies. It provides a detailed understanding and explanation of the each EPAS standard and is followed by questions that test students (1) Understanding of Knowledge and (2) Mastery and Assessment of Knowledge of Skills. Learning Goals Upon completing this book, students should be able to: Master each Core Competency

before advancing to more difficult content and practice behaviors. Apply the Core Competencies to realistic case scenarios. Assess their understanding with the types of questions that they will find on their licensing exam. Identify areas where more study is needed. Note: MySocialWorkLab does not come automatically packaged with this text.
