

Combat Interviews of the 38th Armored Infantry Battalion, 7th Armored Division: The St. Vith Salient and Manhay, December 17-23, 1944

One of the most historically useful decisions made during World War II was to create Information and Historical (I & H) units to conduct combat interviews of survivors shortly after actual events. The 110 or so combat interviews of the 7th Armored Division are preserved at the National Archives in Record Group 407 (Adjutant General). This book contains the 6 interviews of 38th Armored Infantry Battalion officers and men after their December 1944 combat in the Battle of the Bulge.
