

Eight Crowns to Brno: An Absurd Love Story

A story crafted from the heart that swoops from eye-wateringly funny, to sad and moving and back again. This tale of the perennial laid back professional misfit coming to terms with his new life in post-Cold War Czechoslovakia throws together slapstick, humour, romance, self-discovery and wayward professional rivalry. The end product is a delightfully absurd love story with a sting in the tail. Sometimes, its those who fascinate and irritate in equal measure that are worth fighting for
