

Aunt Sally: Or, The Cross the Way of Freedom: A Narrative of the Slave-life and Purchase of the Mother of Rev. Isaac Williams, of Detroit, Michigan

There are very few Anti-Slavery books adapted to the young, yet no field could furnish a more attractive literature for children than this. Robinson Crusoe and the Arabian Nights would seem lifeless and uninteresting by the side of hundreds of true and simple narratives which might be written of slave life in our Southern States. This story of Aunt Sally is, probably, no more remarkable than multitudes of others; only it has chanced to come to notice. It is strictly true in all its incidents. It has not been embellished, or wrought up for effect, but is given, as nearly as possible, in the words in which it was related to the writer. Aunt Sally is a veritable person, and is now living in Detroit, Michigan, with her son, Rev. Isaac Williams, who is pastor of a Methodist church there.
