

## Dining with Leaders, Rebels, Heroes, and Outlaws (Dining with Destiny)

Dining with Leaders, Rebels, Heroes and Outlaws is a marvelously funny journey into the gastronomic peccadilloes of the great, the good, and the not-so-good. Based on the findings of the British gastro-detective Fiona Ross, the Dining with Destiny series establishes a new genre: the food biography, with scandals, recipes, and their stories, allowing you to taste the culinary secret lives of presidents and prime ministers; dictators and revolutionaries; heroes and geniuses - and serve them up at your own dinner table. From Winston Churchill to Malcolm X, Golda Meir to Albert Einstein, and more, each of these figures took part in landmark historical and cultural events that have shaped and defined our way of life but they also had to eat. Now it is time to look at their plates to discover what makes them a revolutionary, a hero, a rogue! Dining with Leaders, Rebels, Heroes and Outlaws lets you taste whats on Darwins fork.
