

# Human Diversity: A Guide for Understanding

A textbook for introductory human diversity courses on the college level, this book offers an overview of the wide diversity in our society, with a focus on fair treatment and respect for all people. Topics include diversity in terms of race, ethnicity, gender, sexual orientation, religion, culture, health, communication, social status, behavior, personality, physical ability, and sensory ability. Each chapter includes sample test questions and both individual and group exercises.
